We will focus on a deep analysis of the Ritual of the Pentagram to understand what it does and how it does it. This includes working a series of rituals to connect with and balance the four elements in your psyche.

Benefits of elemental integration include an increased sense of stability for earth, focus for air, intuition for water, and motivation for fire, but invoking each element aligns you with a spectrum of forces that will help develop all areas of your mundane and spiritual life.

Mondays, Mar 13-Apr 17 ◆ 6:30-8:30 p.m. ◆ \$150/6-week series
