ABOUT THE INSTRUCTOR

Joy Vernon is recognized worldwide by tarot professionals as an expert tarot teacher and respected community leader. With over twenty years' experience teaching energetic and esoteric modalities, Joy brings

expertise and practiced familiarity to her specialty of esoteric tarot, which layers astrological and qabalistic symbolism onto the traditional tarot structure. Under her leadership, the Denver Tarot Meetup has grown into the most active and one of the largest tarot-specific meetups in the world. Joy is a teacher of Traditional Japanese Reiki, and her extensive training includes studying with Frans Stiene and Hyakuten Inamoto, the top authorities in the field. Joy works as a psychic and teacher at Isis Books. To learn more, please visit JoyVernon.com.

FROM MY STUDENTS

"Joy Vernon is a generous, creative, inspiring teacher who genuinely cares about her students."

"I find something new in every class that enhances my experience with tarot."

"Joy has a gift for awakening the reader in even the most beginning student."

"Joy's Art Gallery exercise illuminated new ways to see and read my tarot spreads - my mind just opened up!"
