

Esoteric Tarot

The esoteric tarot integrates symbolic systems such as qabalah and astrology with the spiritual development described in the Fool's Journey.

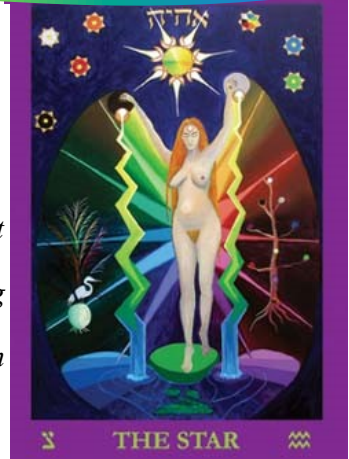

The esoteric tarot allows us to go deeper into the spiritual symbolism of the cards while offering practical everyday information.

Perfect for those who want to learn the Thoth Tarot, those interested in the Western Mystery Tradition, or anyone who wants to get detailed, specific, no-nonsense answers for their querents.

In this 6-week class you will learn:

- *basic qabalistic symbolism and the tarot*
- *basic astrological symbolism and the tarot*
- *how to determine difficulty vs. ease in spreads*
- *the esoteric titles of the cards*
- *how to determine detailed timing using the cards*
- *how to read the Minor Arcana in decks without illustrations*
- *how to perform the five operations of the Opening of the Key (what I call the mid-life crisis spread!)*
- *how to seamlessly integrate esoteric information into your readings without confusing your querent*

Sundays, Sep 18-Oct 23 3-5 p.m. at Isis Books, \$150
