

# Joy Vernon, CPTR

## Tarot Reader

---

- Member of the American Tarot Association
- Certified Professional Tarot Reader through the TCBA
- Experienced in many reading environments such as metaphysical fairs, private clients, parties, fundraisers, online, phone
- 19 years experience reading professionally (1991 to present)

Joy is an empathic and inspirational tarot reader who tempers a profound knowledge of metaphysics and mythology with the love of helping others discover their truth within. Her expertise in kabbalah, astrology, and the esoteric tarot helps her guide her clients in their spiritual growth.

*"...her tarot readings are told with intuitive intelligence."  
 "I would highly recommend her to everyone who wants a fresh perspective on their life issues."  
 "A lot of people can read cards. Not nearly as many can read into someone's heart (energy) with the level of sensitivity and compassion you have."*

## Teaching, Speaking and Group Facilitation

---

- Denver Tarot Geeks, Organizer, 2007 to present
- Denver Tarot Meetup, Presenter, 2006 to present
- Avalon Center for Druidic Studies, Instructor, 2005-2007
- Independent Tarot Instructor since 1994

Joy teaches a unique style of reading that focuses on learning the metaphorical language of the cards through a close analysis of the unique symbols of the deck that is being studied. For her advanced classes, she focuses on systems of correspondence, which reveal the underlying structure behind intuition.

*"What most impressed me was the creativity of the exercises..."  
 "I'm learning so much... I think my brain has swollen from the overload!"  
 "Joy is always so knowledgeable, creative and resourceful!"*

## Publications
