

Practical Qabalah with Joy Vernon

Learn the esoteric symbolism of the Qabalistic Tree of Life and apply that knowledge to practices that connect you with your higher self and the Divine.

- ◆ Learn how the four worlds represent a process of manifestation
- ◆ Understand the ten states of consciousness on the Tree of Life
- ◆ Walk the 22 paths that let you move from one state of consciousness to another
- ◆ Practice meditations that let you climb the Tree toward the Divine

Practical Qabalah uses the most basic symbol of the mystical qabalah, the Tree of Life, for gaining a greater understanding of and connection to the Divine for personal growth, spiritual development, and energetic healing.

Classes are built around discussion, the symbolism and correspondences of the Hermetic Qabalah, and meditations to travel the paths of the Tree, letting us walk toward the Divine.
