## Conjunctio Oppositorum: Tarot Spread for Pathworking

Day of the Week	Date	Time	<del>-</del>
Moon Phase	Deck	Spread	Conjunctio Oppositorum
Question			
Conjunctio Oppositorum The Union of Opposites	Card 3	Card 4	14
The Triangle	Your Secret Desire Or Inner Sight (combination of Ayin (eye) and Resh (forehead) (Draw randomly)  Carc	(combination of Nun (fish) and Tzaddi (fishhook) (Draw randomly)	
	The Un Oppos (Choc intentio based on c eleme	sites ose onally common	TEMPERANCE
			A French version of Temperance—note how the water flows in three streams it leaves the top jug (blue in this version, with her skirt rebehind it) but becomes only two streams as it enters the bottom jug (red here, and behind it her skirt is blue). According to Gettings, this symbolizes the transformatio of life-force as it flows from the emotional or subconcious
The Polarities	Card 2 What's in opposition to Card 1 (Choose intentionally)	Card 1  What you want (Choose intentionally)	(blue) into "conscious expression" (red). The subconscious is working in a context of "active creation" (such as the Trinity or any threefold force—symbolized by three streams with a background of red) while manifestation happens in a passive environment (such as nature—symbolized by the blue background) and can on be perceived as duality (the
			two streams).

THE MOON.

French version of mperance—note how the er flows in three streams as eaves the top jug (blue in version, with her skirt red nind it) but becomes only streams as it enters the tom jug (red here, and ind it her skirt is blue). cording to Gettings, this nbolizes the transformation life-force as it flows from emotional or subconcious ue) into "conscious pression" (red). The conscious is working in a ntext of "active ation" (such as the Trinity any threefold forcenbolized by three streams h a background of red) ile manifestation happens passive environment (such nature—symbolized by the e background) and can only perceived as duality (the streams).
