

DTM Deck Interview Spread 2019

For this spread, I developed the positions by pulling one card from each of the decks represented in today's Meet the Artists Panel. I then used those cards to brainstorm questions that would be helpful to ask a new deck to get to know it better. Use these six positions as a spread to interview your new deck.

6
How do I know when you are addressing the question in a mythical, spiritual manner?

5
What seed will you plant in me? How will we grow together?

4
What is the skeleton or structure that underlies your images?

Uzume
2
How are you a different drummer?
Fool

3
Are you just for me or do you prefer to share your wisdom with others?

FATHER OF ARROWS
1
How do I know when you are addressing the question in a practical, factual manner?
