

Intuitive Astrology with Joy Vernon

Want new ways to understand yourself--and your friends and family--better? This beginning astrology class lets you dive in without having to memorize reams of information. All the vast knowledge of the skies can be accessed through only seventeen simple symbols.

- Explore the seventeen common symbols through fun exercises
- Learn to combine the basic symbols to create more complex metaphors
- Use mythology to augment your astrological vocabulary
- Practice chart reading to become comfortable in communicating the metaphorical patterns

Learn the basics including the elements, modes, planets, signs, houses, aspects, transits and more!

Eight Week Course!

Sundays ⊕ Jun 3-Jul 29, 2018 ⊕ 2:30-4:30 p.m. ⊕ \$200

Goddess Isis Books, 2775 S. Broadway, Englewood
